ProShield® 6 Respirator-Fit Hood

Fabric Composition: ProShield® 6 SFR fabric

Key Features:

- **Respirator-fit design:** Lined with ProShield® 6 SFR fabric, ensuring superior protection against fine particles and hazardous substances.
- **Elasticized hood:** Covered, braided elastic ensures a snug, secure fit around the face.
- **Nylon zipper:** A durable zipper with a large metal pull for easy donning and doffing.
- **Chin flap:** Features double-sided adhesive tape to seal the hood securely around the chin and neck area, preventing particle or liquid exposure.

Ideal For: Environments requiring maximum protection against airborne particles and hazardous materials, such as pharmaceutical, chemical, or industrial sectors.
