

Pharma Hooded Coverall (MPW829)

The Pharma hooded coverall offers high-level protection in various hazardous environments. Designed with stitched and over-taped seams, thumb loops, and tunnelled elasticity at key points, this coverall ensures a secure fit and reduced contamination.

- **Fabric Composition:** Pharma proprietary material
- **Fabric Weight:** 70gsm
- **Closure Type:** Zipper with self-adhesive storm flap
- **Seam Type:** Stitched and over-taped for additional strength

Features:

- **Stitched and Over-Taped Seams:** Provides enhanced protection and strength to prevent penetration of harmful substances
- **Thumb Loops:** Ensures secure fit of the sleeves, reducing the risk of exposure at wrist
- **Tunnelled Elasticity:** At wrists, ankles, and face for a tight, secure fit that helps prevent contamination and reduces linting
- **Elasticated Waist (Glued-In):** Provides a comfortable and secure fit around the waist, improving overall garment integrity

COLOR : white

SKU: MPW829

Categories: Pharma Workwear, Specialized PPE, Workwear

Product Name: Pharma Hooded Coverall

Fabric Composition: Pharma™ proprietary material

Fabric Weight: 70 gsm

Closure Type: Zipper with self-adhesive storm flap

Seam Type: Stitched and over-taped

Care: Single-use (disposable)

Use: Hazardous environments requiring high-level contamination control

Key Features:

- **Stitched and Over-Taped Seams:** Reinforced construction offers superior barrier protection against hazardous substances
- **Thumb Loops:** Keep sleeves in place beneath gloves, minimizing risk of wrist exposure
- **Tunnelled Elasticity:** Located at wrists, ankles, and face to ensure a secure, lint-free fit that helps maintain cleanliness
- **Glued-In Elastic Waist:** Improves garment fit and minimizes shifting during movement
